

Course for Graduate Institute of Assistive Technology

No.	Course		Credit
01	Development & Trend of Special Education	required	3
02	Theories and Practices on Assistive Technology	option	3
03	Seminar on Computer-assisted Instruction	required	3
04	Research on Assistive Technology Assessment	required	3
05	Educational Research	required	3
06	Advanced Statistics in Education	required	3
07	Single Subject Research	option	3
08	Qualitative Research	option	3
09	Action Research	option	3
10	Seminar on Assistive Technology for Visually Impairments	option	3
11	Seminar on Assistive Technology for Hearing Impairments	option	3
12	Seminar on Assistive Technology for Physical Impairments	option	3
13	The Research and Implementation of Scientific Assistive Device	option	3
14	Special Topics on Augmentative and Alternative Communication	option	3
15	Computer-assisted Technology Research	option	3
16	Seminar on Career Guidance and Employment for People with Disabilities	option	3
17	Seminar on Universal Design	option	3
18	Family Involvement	option	3
19	Team Collaboration	option	3
20	Independent Study	option	3
